My dear Mr. Manley:

I have just returned to Greensboro and found your letter. I am very glad to have you come back to Greensboro to play again -- both you and the Homestead Grays -- and if you can come on the dates I mention herein I am sure of a tremendous crowd, even though we do have gas rationing.

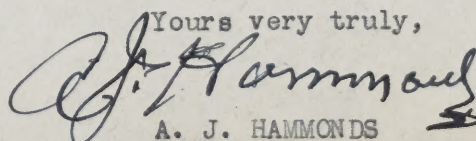

Is it possible for you to get here and play on the night of June 25th -- that is five days ahead of the time you want to come. My next date, already set up in the park is July 6th, which will be on Monday night and of course that will be a very good date also.

Please wire me, don't write, if you can get here on the night of the 25th as I am now dickering with some people to promote a benefit here on that night and if you can bring the Eagles and Grays, I will set their night up here on July 16th.

Which ever date you come, I want you to send me a complete line of advertisement this time, including release sheets, photographs, mats of different players and also a line on the players on both sides giving the name of the stars in each club and their histories as I expect to put on a real drive for this game.

Our radio this time will run me around \$12.00 or \$15.00. Of course, our terms, as I spoke to you before, will have to be more than my part in the last game as I have to do and put my best in it at this time. Please wire me as I am rushed for time to get this date set up. If you can make it on the 25th of June, let me know; if not, my next best and only open date will be July 6th. The June 25th date would be the natural for this game.

Yours very truly,

  
A. J. HAMMONDS
